## CERTIFICATE

### Installation of Grid Connected Solar Rooftops/Power Systems

This certificate recognizes Yogi Vemana University's outstanding commitment to sustainable energy practices through the installation and operation of its grid-connected solar power system. Key achievements are:

- Solar rooftops and a dedicated 4-acre solar plant generating clean energy to meet a significant portion of the campus's power needs.
- Partnership with DISCOM: Excess power is fed back into the grid, contributing to a cleaner and more resilient energy system.
- Long-term commitment: A 25-year Power Purchase Agreement (PPA) with M/S Swelect Energy System Ltd. demonstrates dedication to long-term sustainability.
- Active phase: The system is fully operational and delivering clean energy to the campus community.
