CERTIFICATE Barrier-Free Environment

This to certify that a barrier free environment is created in the campus to provide a safe learning environment to the disabled students. In addition, tactile paths, spacious landscapes, display boards, sign posts, lights, accessible websites are available in the campus. To increase proximity and smoothing functioning and easy access to the physical challenged students ramps are built in hostels, library, MBA, MCA and Science buildings. Broad doorways and wheel chairs are available in the varsity for better access.
