CERTIFICATE Medical Facilities

Yogi Vemana University provides a range of comprehensive medical facilities, including on-campus First Aid, Medical, and Counseling services. The university features a dedicated hospital building equipped with both personnel and medical equipment. Additionally, there is access to a modern ambulance and an omnibus for the prompt and efficient transportation of patients during emergencies, ensuring swift transfer to nearby medical institutions such as RIMS Hospital or Fathima Institute of Medical Sciences. The medical team comprises two doctors, one nurse, two compounders, and two medical representatives, along with two ambulance drivers.

This certificate confirms that Yogi Vemana University prioritizes the health and well-being of its students, faculty, and staff by providing comprehensive medical facilities on campus.

- On-site Health Center: The university operates a well-equipped health center staffed by qualified medical professionals, offering primary care services, consultations, and basic medical supplies.
- Emergency Preparedness: The health centre is prepared to handle minor emergencies and is equipped with an ambulance for prompt transfer to nearby specialized hospitals if necessary.
- Preventive Healthcare: The university promotes preventive healthcare initiatives, including routine health screenings, vaccination programs, and educational workshops on various health topics.

Yogi Vemana University's commitment to readily accessible and diverse medical facilities demonstrates its dedication to fostering a healthy and safe environment for its entire community.
