

**2.5.3 IT integration and reforms in the examination procedures and processes (continuous internal assessment and end-semester assessment) have brought in considerable improvement in examination management system of the institution**

**IT integration in examination procedures**

- Yogi Vemana University examination process is partially automated – Student, generation of hall tickets, result processing and certificate generation.
- The whole process of examination is transparent and efficient.
- The answer booklets are bar-coded to ensure coding and decoding efficiently.
- The published results are made available in the University website and result copies are sent to the departments to display on the notice board.

**Examination reforms**

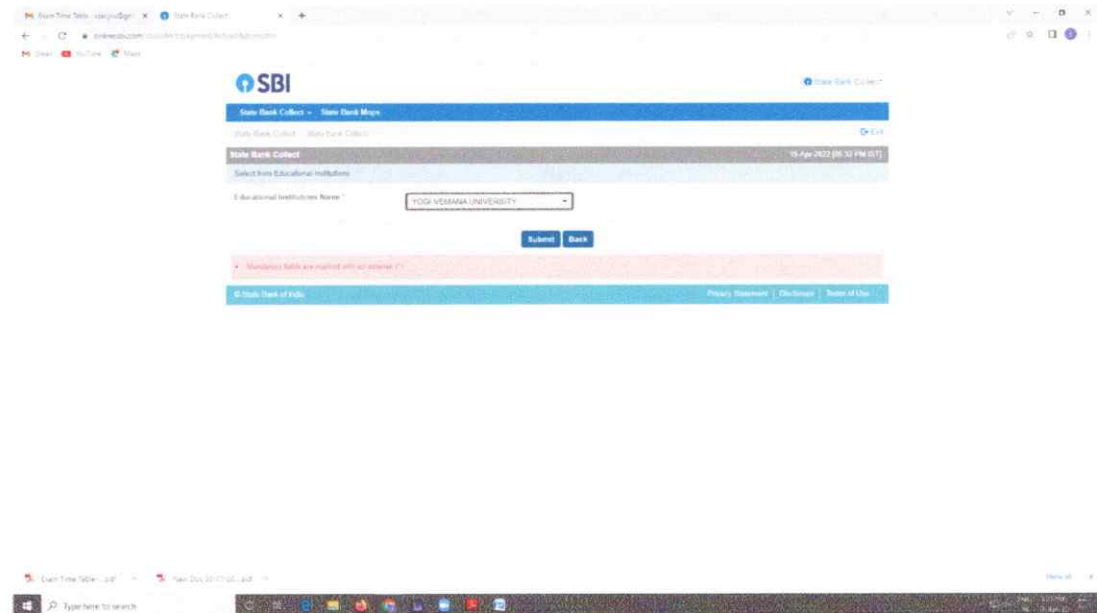

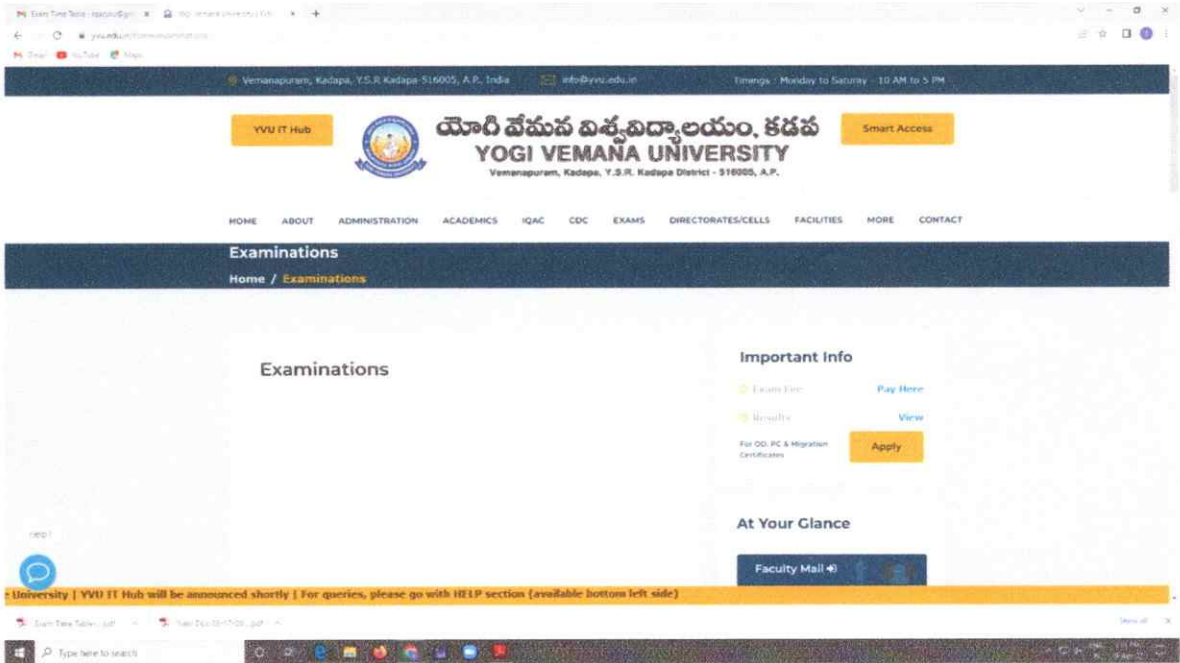

- Generation of hall tickets
- Bar-coded answer scripts with the details of and photograph of the student.
- After evaluation of the scripts the marks sheets are scanned to enter the marks.
- Publication of results in the website.
- Generation of marks memos and certificates.
- Tamper proof, tear proof and high secured Original Degree Certificates will be issued to the students (first ever process in State Universities.).
