Yogi Vemana University College Experimental Animal Facility has been registered with Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA) – Ministry of Environment, Forest & Climate Change, Animal Welfare Division, Government of India, New Delhi, for the purpose of Research for educational purpose on small laboratory animals. The objective of CPCSEA is to ensure that animals are not subjected to unnecessary pains or suffering before, during or after performance of experiments on them. Further, CPCSEA is also constituted the Institutional animal ethics committee (IAEC) for Yogi Vemana University to supervise and approve protocols submitted by the principal investigator on experimental animal procedures. Yogi Vemana University always believe in best animal welfare practices and follow the guidelines of CPCSEA for the use and conduct of animal experiments for research purpose.

INSECT MUSEUM FACILITY, YOGI VEMANA UNIVERSITY, KADAPA

The flying Jewels, Butterflies are important nature creatures because of their diversity, ecological role and influence on agriculture, human health and natural resources. They have been used in landmark studies in biomechanics, climate change, developmental biology, ecology, evolution, genetics and physiology. They are the major groups of Arthropods and the most diverse group of creatures on the earth with over million described species. Presently, about 1,70,000 butterflies are available all over the world. As a part of research, department of Zoology has been conducting experimental biodiversity programmes and creating new knowledge, interest and necessary skills among the students about the butterfly species diversity. Darwins Butterfly Park Museum first of its kind in Andhra Pradesh is being maintained by Department of Zoology. It has a collection of nearly 400 butterflies belonging to 23 species displaying in a mosaic of various colors and hues. In the Museum more than 70 species along with life cycles were displayed in beautiful boards. Nearly 14 Television channels telecasted programs on the Park Museum.

HERBARIUM: DEPARTMENT OF BOTANY, YOGI VEMANA UNIVERSITY

About the Herbarium: A herbarium is a critical resource for biodiversity, ecological and evolutionary research studies. It is a primary data source of dried and labeled plant specimens that is arranged to allow for easy retrieval access and archival storage. A herbarium (plural: herbaria) is a collection of preserved plant specimens and associated data used for scientific study. The specimens may be whole plants or plant parts; these will usually be in dried form mounted on a sheet of paper (called "*exsiccatae*") but, depending upon the material, may also be stored in boxes or kept in alcohol or other preservative. The specimens in a herbarium are often used as reference material in describing plant some specimens may be types. Department of Botany, Yogi Vemana University, Kadapa is in collaboration with Botanical Survey of India (BSI) has initiated documentation on plant wealth of Eastern Ghats, India in the year 2008 and established herbarium in the Department of Botany, Yogi Vemana University (YVUH), Vemanapuram, Kadapa in YSR district. In this herbarium, around 2500 specimens are preserved collected from Eastern Ghats of India. The herbarium consists around 1000 species belonging to 150 genera under 120 families. The present information will be helpful for students and research scholars for plant identification.

GUIDELINES TO CHECK PLAGIARISM:

- i) **Definition:** 'Plagiarism' is the unacknowledged use of another person's work as one's own work. Plagiarism involves copying of Phrases, clauses, sentences, paragraphs, or longer extracts from published or unpublished work including from any source including internet without acknowledgement of the source.
- ii) **Methods of Plagiarism:**
 - (a) Quoting directly another person's language, data, illustration, tables, etc. without due acknowledgement of the source.
 - (b) Copying a section of book/article/report/monograph/dissertation/thesis without proper citation.
- iii) **Self-Plagiarism:** Copying/reproducing, in part or whole one's own published work without giving proper reference of that work.
- iv) **Golden Rule to avoid the Plagiarism:**
 - (a) The original author (s) shall given the proper citation and proper reference.
 - (b) The sentence shall be placed in inverted commas, if text is quoted verbatim.

v) **Zero Tolerance Policy in core area:**

The core work carried out by the student shall be based on original ideas and shall be covered by Zero Tolerance Policy on Plagiarism. The core work shall include abstract, summary, hypothesis, observations, results, conclusions and recommendations.

vi) **Levels of Plagiarism in non-core areas:**

For all other (non-core) cases, plagiarism shall be quantified into following levels in ascending order of severity for the purpose of its definition:

1. Similarities up to 30% including publications are allowed for submission.
2. Level 1: Similarities above 30% to 40%.
3. Level 2: Similarities above 40% to 60%.
4. Level 3: Similarities above 60%

vii) **Exclusion of items under Plagiarism check:**

The exclusion at the time of performing the check should be limited to the following:

Note: The research work carried out by the student, faculty, researcher and staff shall be based on original ideas, which shall include abstract, summary, hypothesis, observations, results, conclusions and recommendations only and shall not have any similarities. It shall exclude a common knowledge or coincidental terms, up to fourteen (14) consecutive words.

REGISTRAR
YOGI VEMANA UNIVERSITY
KADAPA - 516003.

viii) **Procedure for reconciliation of plagiarism reports:**

If a draft thesis is found to have been plagiarized and is reported to Departmental Research Committee, then the Departmental Research Committee shall call the candidate to hear the candidate's view. The Departmental Research Committee shall submit its recommendations keeping in view of the following guidelines after considering the view of the candidate:

- (a) The similarity between documents is within the limit (not more than 10%) for putting some original results in proper context and all original sources are correctly cited, the similarity is not of such nature which directly affects the original findings of research.
- (b) Self plagiarism or cases where published work of the student is shown as Plagiarism in the check, a certificate (Self Plagiarism Exclusion Certificate-Annexure-VII) shall be issued by the supervisor specifying and attaching the articles that have been published by the student from the thesis work. Only these articles shall be excluded from the check; no other article of the student or the supervisor shall not be excluded from the check.
- (c) In case of candidate's earlier published work, candidate shall be required to submit thesis with proper citations. If the published work is co-authored by others, the researcher shall submit a consent letter (Annexure-VIII) from co-author(s) and publisher permitting him to use the work in his/her thesis under proper citation.

ix) **Detection/Reporting/Handling of Plagiarism:**

If any member of the academic community suspects with appropriate proof that a case of plagiarism exists in any document, he/she shall report it to the Controller of Examinations of the University. Upon receipt of such a complaint or allegation the University authorities shall refer the case to the Departmental Research Committee of the concerned subject, who in turn shall submit a report to the Yogi Vemana University Research Advisory Council (YVURAC).

The authorities of Yogi Vemana University shall take *su motu* notice of an act of plagiarism and initiate proceedings under these regulations. Similarly proceedings can also be initiated by the University on the basis of findings of an examiner.

Subject: CHEMICAL SCIENCES

Dear Candidate,

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and Eligibility for Assistant Professor in the Joint CSIR-UGC Test conducted on 17th June 2018. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., 27th November 2018 (or) from the date of admission under M.Phil/Ph.D. (or) from the date of joining M.Phil/Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at Annexure I available on www.ugc.ac.in/netjrf along with other Annexures.

The Awardee is required to get admission and registration for regular and full time **M.Phil/Ph.D.** course in a University/Institution/College recognized by UGC at the first available opportunity **but not later than three years** from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with procedure available on www.ugc.ac.in/netjrf.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC has developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities / Colleges / Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker / Checker Ids which have already been provided to them along with the passwords. The Universities / Colleges / Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities / Colleges / institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

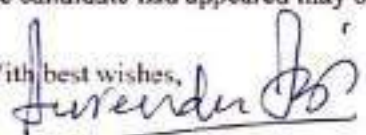

It may also be noted that UGC has proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC had requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- (i) If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship,
- (ii) Misconduct of Awardee,
- (iii) Unsatisfactory progress of research work,
- (iv) Failure in any examination related to M.Phil/ Ph.D,
- (v) In case, any other fellowship is drawn from other source(s),
- (vi) Concealment of facts.

The E-certificate of Eligibility for Assistant Professor has already been uploaded on www.ugcnetonline.in. The eligibility of the candidate is to be ensured by the concerned institution/appointing authority. The category in which the candidate had appeared may be verified from UGC.

With best wishes,

(Surender Singh)

The Awardee is required to get admission and registration for regular and full time M.Phil./Ph.D. course in a University/Institution/College recognized by UGC at the first available opportunity **but not later than three years** from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter. In accordance with the procedure available on www.ugc.ac.in/net/jrf.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC had developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker IDs which have already been provided to them along with the passwords. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

It may also be noted that UGC had proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC had already requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- i. If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship.
- ii. Misconduct of Awardee.
- iii. Unsatisfactory progress of research work.
- iv. Failure in any examination related to M.Phil./Ph.D.
- v. In case any other fellowship is drawn from other source(s).
- vi. Concealment of facts.

The e-Certificate of eligibility for Assistant Professor has been uploaded on <https://ecertificate.nta.ac.in>. The eligibility of the candidate is to be ensured by the concerned institution/appointing authority. The category under which the candidate had appeared may be verified from NTA.

This electronic JRF award letter can also be verified by scanning the QR Code.

With best wishes,

Subarachar

Senior Director, NTA

Note: NTA has issued the electronic JRF award letter on the basis of information provided by the candidate in his/her online application form. The appointing authority should verify the original records/certificates of the candidate while considering him/her for JRF award or appointment, as the NTA will not be liable for any false information provided by the candidate. The NTA is only responsible for the result which can be verified from the repository available in the website of NTA (www.nta.ac.in). The candidate must fulfil the minimum eligibility conditions for NET as laid down in the notification for Joint CSIR-UGC Test.

Dear Candidate,

I am pleased to inform you that based on your qualifying for Eligibility for Assistant Professor in the **June 2020 National Eligibility Test (UGC-NET)**, you have been selected for award of fellowship under the scheme of 'National Fellowship for Scheduled Caste Students' for the year 2020-21 (June Cycle).

The tenure of the Fellowship is five years and it commences from the date of declaration of result for NFSC i.e. **30.11.2020** (or) from the date of admission under M.Phil/Ph.D (or) from the date of joining M.Phil/Ph.D programme, whichever is later.

As per information provided by you while applying online for UGC-NET, you have not taken admission for M.Phil/Ph.D. Accordingly, you are required to get admission and registration for regular and full time M.Phil/Ph.D. course in a University/Institution recognized by UGC at the first available opportunity but not later than three years from the date of issue of this award letter. The University/Institution is requested to process for award of fellowship based upon this letter, in accordance with the Guidelines of the Scheme and Notification dated **17.12.2020**. The same can be accessed at https://www.ugc.ac.in/ugc_notices.aspx.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the awardee (any bank) directly. UGC has developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker and Checker IDs which have already been provided to them along with the passwords. The Universities/Institutions shall update the information on the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

The e-Certificate of Eligibility for Assistant Professor has already been uploaded on <https://ugcnet.nta.nic.in>. The eligibility of the candidate for availing the fellowship is to be ensured by the University/Institution.

Roll No.: APT08586472

Dear Candidate,

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and eligibility for Assistant Professor in the National Eligibility Test (UGC-NET) conducted in June 2019. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., 12th July, 2019 (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at Annexure I available on www.ugc.ac.in/net/jrf

The Awardee is required to get admission and registration for regular and full time M.Phil./Ph.D. course in a University/Institution/College recognized by UGC at the first available opportunity but not later than three years from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure available on www.ugc.ac.in/net/jrf

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC has developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker ids which have already been provided to them along with the passwords. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-graduation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

It may also be noted that UGC has proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC has already requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- i. If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship.
- ii. Misconduct of Awardee.
- iii. Unsatisfactory progress of research work.
- iv. Failure in any examination related to M.Phil./Ph.D.
- v. In case any other fellowship is drawn from other source(s).
- vi. Concealment of facts.

The e-Certificate of eligibility for Assistant Professor has been uploaded on <https://ecertificate.nta.ac.in>. The eligibility of the candidate is to be ensured by the institution/appointing authority. The category in which the candidate had appeared may be verified from NTA.

JRF AWARD LETTER

NTA Ref. No.: 200510057496

BANDARU RAVI

Son/Daughter of B DHANAMMA

and BANDARU SUBBARAYUDU

Subject: TELUGU

Roll No.: AP0151500178

Dated: 16.12.2020

Dear Candidate,

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and eligibility for Assistant Professor in the National Eligibility Test (UGC-NET) conducted in June 2020. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., 30th November, 2020 (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at Annexure I available on www.ugc.ac.in/netjr

The Awardee is required to get admission and registration for regular and full time M.Phil./Ph.D. course in a University/Institution/College recognized by UGC at the first available opportunity but not later than three years from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure available on www.ugc.ac.in/netjr.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC has developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker Ids which have already been provided to them along with the password. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

It may also be noted that UGC has proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC has already requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- i. If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship,
- ii. Misconduct of Awardee,
- iii. Unsatisfactory progress of research work,
- iv. Failure in any examination related to M.Phil./Ph.D.,
- v. In case any other fellowship is drawn from other source(s),
- vi. Concealment of facts.

The e-Certificate of eligibility for Assistant Professor has been uploaded on <https://ecertificate.nta.ac.in>. The eligibility of the candidate is to be ensured by the institution/appointing authority. The category in which the candidate had appeared may be verified from NTA.

7) Email received from Dr. A. Madhusudhana Reddy on dt. 16.06.2021

Greetings from A.P. State Biodiversity Board!!

Adverting to the subject and references cited, the APSBB have accepted the project proposal “Ex-situ Conservation, Macro propagation, population structure and mycorrhizal association of *Pterocarpus santalinus* and its associated tree assemblage” (Hence forth called as YVU Red sander project) submitted by Dr. A. Madhusudhana Reddy, YVU Kadapa on dt. 06.06.2021 with some amendments in the Budget proposed based on the comments of the Expert Committee constituted and as per FSR rates of A.P. Forest Department.

In this regard, sanction is hereby accorded for an amount of Rs. 60.76 lakhs (Sixty one lakhs seventy six thousand only) for a period of three years from the date of entering into MoA and the releases will be made year wise as follows:

Year wise	Amount (Rs. in lakhs)
Year - 1	23,07,428
Year - 2	22,67,428
Year - 3	15,01,428
Grand Total	60,76,284

The following are the conditions to be followed:

1. This project is sanctioned in a collaborative mode with A.P. state Biodiversity Board and also subject to obtaining required permission from A.P. Forest Department for access and collection of material and data from RS bearing forest areas / PAs in the Kadapa area and for implementation of the project activities in Forest areas.
2. The project Proponent has to involve the BMCs listed in the project proposal in activities related to seed collection, marking of trees for identification, nursery raising, transportation and distribution of seedlings raised and necessary training and capacity building activities to be under taken by the proponent.
3. Maintain a separate Bank Account for this project and interest accrued will be treated as a part of principal and adjusted in subsequent releases.
4. No instruments / equipments should be purchase under this project except provided for specifically and only existing infrastructure and man power can be utilized.
5. Maintain separate Books / Records and submit to the APSBB as when required for audit etc.,
6. Utilization Certificate shall be submitted at the end of previous installment and Financial Year in the prescribed format.
7. Submit monthly report on project activities done to APSBB by 10th of every month.
8. The post of Research Associate (RA) may be engaged as per the YVU rules by duly constituted selection committee and the RA to work in YVU and is also work for APSBB for 50% time. The Member Secretary, APSBB or his representative shall be there in the selection committee.
9. Suitable Project assistant can be selected at local level to assist the project proponent under intimation to APSBB.
10. This project subsumes the two projects of similar nature sanctioned to Yogi Vemana University, Kadapa in the year 2020-21 for an amount of Rs. 20.00 lakhs only.
11. Appropriate credit to A.P. State Biodiversity Board for any publications or reports generated under this project must be given.

Therefore, it is requested to submit MoA (Format enclosed) and the Bank account details (Name of the Account, Account Number, IFSC code, Bank Branch etc.,) and amount required for next six months in the first year for release of first installment to accomplish the project activities.

This is for favour of information and necessary action.

Year wise Budget details of “Ex-situ Conservation, Macro propagation, population structure and mycorrhizal association of *Pterocarpus santalinus* and its associated tree assemblage” (YVU Red Sander project)

S.No.	Name of the component/Numbers	1 st Year Unit cost	2 nd Year Unit cost	3 rd Year Unit cost	Total	Comments / Recommendations
1	Research Associate (RA) 45,000 P/M	5,40,000	5,40,000	-	10,80,000	As such RA post is not essential for this project. However, we can think about an RA in the APSBB for assisting the Board and the RA will look after this RS project also for a period of two years at the maximum. We cannot afford to have exclusive RA for this project due to financial constraints. The amount proposed per month also is high and it needs to be reduced to 45,000/- per month for a suitable candidate. RA may be engaged as per the YVU rules by duly constituted selection committee and the RA to work in YVU and is also work for APSBB for 50% time. The Member Secretary, APSBB or his representative shall be there in the selection committee.
2	1-Project Assistants each 18,000 P/M	2,16,000	2,16,000	-	4,32,000	One Project Assistant can be permitted for 24 months to assist the project proponent and to work as liaison officer with BMCs.

ORDER

Sub: Project entitled "Hierarchical composite nanostructure photo-catalysts for efficient water splitting under solar light irradiation" sanctioned jointly to Yogi Vemana University (YVU), Kadapa and Central Electro-chemical Research Institute (CECRI), Karaikudi - sanction for carry forward, and releasing third instalment of funds under the project - reg.

In continuation of this Ministry's sanction order of even number dated 31 December 2015, 9 March 2018, and 6 August 2018 for a Project entitled "Hierarchical composite nanostructure photo-catalysts for efficient water splitting under solar light irradiation" sanctioned jointly to Yogi Vemana University (YVU), Kadapa and Central Electro-chemical Research Institute (CECRI), Karaikudi, sanction of the President is hereby accorded for the following:

- a) Release of Rs 10,00,000/- (Rupees Ten Lakh only) as the third instalment in the project; and
 - b) Carry forward of unspent balance of Rs 32,228/- from FY 18-19 to FY 19-20, and Rs 33,181/- from FY 19-20 to FY 20-21.
2. This sanction is subject to the condition that the grantee organization will furnish financial year wise Utilization Certificate (UC) in the prescribed format of GFR-12(A) and audited statement of expenditure (ASoE) duly reflecting the interest accrued on the grants received/unspent balance under the project along with up to detailed progress report periodically as prescribed under the guidelines.
 3. The grant shall be kept in interest bearing account. The interest accrued, if any, on the released amount/unspent balance shall be treated as the part of grant.
 4. The grantee organization/institution shall be responsible for timely execution of the project as per the Provisions contained in the guidelines and within the allocated budget. Any request for extension of the project duration or for change in budget allocation, for valid reason, shall be placed before the duly constituted Committee for approval of the Competent Authority, before the expiry of the approved period of the project.

ABSTRACT: Title: Multipurpose Bio-Enzyme Cleaning Composition and Method for Preparing the Same The present disclosure proposes a multipurpose bio-enzyme cleaning composition that aids to clean and disinfect household surfaces. The multipurpose bio-enzyme cleaning composition, comprises of sugar substance, citrus peels, water, and a fermenting compound, wherein the bio-enzyme cleaning composition is utilized for cleaning and disinfection of various household surfaces. The multipurpose bio enzyme cleaner does not contain any harmful chemicals in it and effectively removes limescale, grease and grime on taps and other steel appliances without any damage. The multipurpose bio-enzyme cleaner is used as a fertilizer for plants and enriches the soil naturally. The drains can be de-clogged effectively by pouring the proposed natural and eco-friendly bio enzyme cleaner directly into the drain.

ABSTRACT: Title: Application of Marine Based Minerals as Food Supplements The present disclosure proposes an application of Marine based minerals as food supplements which is used for isolation, identification and characterization of marine-derived bioactive compounds with various therapeutic potentials. The application of marine based minerals as food supplements, comprises of a diverse range of bioactive molecules with extensive application as nutraceuticals in food and supplement industry, and wherein the bioactive molecules comprises of proteins peptides, polysaccharides, fatty acids, phenolic compounds and pigments, marine enzymes, vitamins and minerals. The marine based nutraceutical products are configured with anti-oxidant, anti-hypertensive and anti-skin aging property and various diseases are prevented and cured using the proposed cost effective marine based nutraceutical product.

ख. अधिनियम के तहत आवश्यकताओं पर विस्तृत टिप्पणियां / B. Detailed observations on the requirements under the Act:

(1). आविष्कारी कदम / INVENTIVE STEP:

(I) ऊपर उद्धरित दस्तावेज़(जों) के संदर्भ में स्पष्ट अध्यापन(जों) को ध्यान में रखते हुए, निम्नलिखित कारणों से दावा(वों) (1-18) में आविष्कारी कदम की कमी है

Claim(s) (1-18) lack(s) inventive step, being obvious in view of teaching (s) of cited document(s) above under reference for the following reasons:

Claims 1-18 of the instant application lack inventive step in view of the documents cited below-

D1: WO2008153274A1; Dec 18, 2008: Discloses method of simultaneously producing magnesium mineral water and calcium mineral water, comprising: (A) taking deep ocean water and then filtering the deep ocean water; (B) electrolysing the filtered ocean water using a monovalent cation exchange membrane and a monovalent anion exchange membrane; and (C) electrolysing the electrolyzed water using a monovalent cation exchange membrane and a bivalent anion exchange membrane or a bivalent cation exchange membrane and a monovalent anion exchange membrane. D1 also discloses that pH of the alkaline mineral water was 7.8-11.

D2: US6572902B2; June 03, 2003: Discloses process for producing improved alkaline drinking water, comprising the steps of: filtering potable source water to remove particles greater than a preselected size; directing the filtered source water through a water purification unit to produce purified water with total dissolved solids no greater than 10 parts per million; adding selected alkaline minerals to the purified water so that the resulting mineralized water has a selected mineral concentration of between 20-200 parts per million; and electrolyzing the mineralized water to produce alkaline water with a pH in the range of 9-10, wherein total dissolved solids of the alkaline water is within the range of 22-240 parts per million and alkalinity thereof is within the range of 12-216 parts per million.

In view of disclosures of D1 and D2, it is obvious for a person skilled in art to make ionic alkaline mineral supplements by the method of electrolysis or ionization. Also determining/deciding the concentration of microminerals in a mineral supplement is within the competence of a person skilled in the art that does not make the supplement inventive. Therefore the subject matter of claims 1-18 lacks inventive step under section 2(1)(j) of The Patents Act, 1970.

(2). पेटेंट अयोग्यता / NON PATENTABILITY:

(I) निम्नलिखित कारणों से धारा 3 के खंड (3(d)) के प्रावधान के तहत दावा(वे) (1-18) सांविधिक रूप से पेटेंट योग्य नहीं हैं /

Claim(s) (1-18) are statutorily non-patentable under the provision of clause (3(d)) of Section 3 for the following reasons:

Claims 1-18 of the instant application relate to "method of producing ionic alkaline mineral supplements through electrolysis/ionization". The document D1/D2 already discloses method of preparing alkaline mineral water through filtration and electrolysis/ ionization. Therefore the claims 1-18 of the instant application fall within the scope of section 3(d) of The Patents Act, 1970 as the said claims are directed towards mere use of a known process.

(3). प्रकटन की दक्षता /SUFFICIENCY OF DISCLOSURE:

(I) दावा(वे) 2, 4-5, 6, 10-11 विनिर्देश में प्रकट विषय पर आधारित नहीं है अथवा निम्नलिखित कारणों से विनिर्देश में प्रकटन द्वारा समर्थित नहीं है।

Claim(s)'2, 4-5, 6, 10-11' are not fairly based on the matter disclosed in the specification or not supported by the disclosure in the specification for the following reasons:

The subject matter of claims 2, 4-5, 6 and 10-11 recite terms such as "lithium, beryllium, boron, carbon, nitrogen, oxygen, fluorine, sodium, magnesium, aluminum, silicon, phosphorus, sulfur, chlorine, potassium, calcium, scandium, titanium, vanadium, chromium, manganese, iron, cobalt, nickel, copper, zinc, gallium, germanium, arsenic, selenium, bromine, berkelium, rubidium, strontium, yttrium, niobium, molybdenum, technetium, ruthenium, rhodium, palladium, silver, cadmium, indium, tin, antimony, tellurium, iodine, xenon, cesium, lanthanum, cerium, praseodymium, neodymium, promethium, samarium, europium, gadolinium, terbium, dysprosium, holmium, erbium, thulium, ytterbium, lutetium, hafnium, tantalum, tungsten, rhenium, osmium, iridium, platinum, gold, mercury, bismuth, polonium, astatine, radon, barium etc." which is not fully supported by the description specifically by the way of working examples, therefore it is both reasonable and imperative to limit the subject-matter of the claims to the actual contribution to the art.

(4). स्पष्टता एवं संक्षिप्तता /CLARITY AND CONCISENESS:

(I) दावा(वे) 1-18 के संबंध में स्पष्ट रूप से परिभाषित नहीं हैं।

Claim(s) 1-18 are not clearly worded in respect of:

1. Claim 1 is not clear in terms of exact process parameters. Principal claim should be definitive and must contain all major technical features of the invention. Principal claim must clearly define all the major aspects of the product. Principal claim must clearly define the overall boundary of the claimed invention followed by dependent claims to give elaborate explanation. Claims must clearly define the scope of invention.
2. Dependent claims shall be drafted with preamble "The method as claimed in claim 1".
3. Claims reciting terms "at least", "or", "one or more" does not allow a skilled person in the art to select the particular ingredient/process parameter of the process, hence it is desirable to avoid such terms in patent application as it makes the claims unclear, vague and unsearchable.
